

TadHealth Employee Portal — How to Log In

Portal URL: th-employees.com

Getting Started

The TadHealth Employee Portal is your central hub for team resources, company updates, and the employee directory. Access requires your **@tadhealth.com** work email.

How to Log In

1. Open your browser and go to th-employees.com
2. Click the **Login** button in the top-right corner of the page
3. You will be taken to a secure sign-in page — use your **@tadhealth.com** Google account or email and password
4. Once signed in, you will be returned to the portal automatically
5. Your initials will appear in the top-right corner, confirming you are logged in

Important: You must use your TadHealth work email (@tadhealth.com) to log in. Personal email addresses will not be accepted.

What You Can Access

Feature	Description
Home	Company announcements, department links, and daily updates
Employee Directory	Search and browse all team members by name, title, or department
Department Pages	Tools, documents, and resources specific to your team
Daily Updates	Latest company news and announcements
My Profile	View and update your own contact information and job details
Feedback	Submit suggestions or feedback to the team

How to Log Out

1. Click your **initials** in the top-right corner of any page
 2. A small menu will appear showing your name and email
 3. Click **Logout** to sign out
-

Troubleshooting

Issue	What to Do
Login button doesn't work	Try refreshing the page or clearing your browser cookies
"Only @tadhealth.com emails are allowed" error	Make sure you are signing in with your TadHealth work email, not a personal account
Signed in but profile shows no information	Your account may need to be linked to your employee record — reach out to your manager or HR
Can't find a colleague in the directory	Try searching by first name, last name, or job title

Need Help?

If you are having trouble logging in, please reach out to your manager or contact the team at claire@tadhealth.com
